

## Small wood collector KPK-3

Vapo's KPK-3 effectively collects loose stumps from production areas. This is essential for efficient production when a pneumatic harvester is used.

### Technical data

Tractor type	agricultural tractor
Required engine output	approx. 40-50 kW
Capacity	3 ha/h
Working speed	10-15 km/h
Weight	2500 kg
Dimensions	length 4400 mm width 3900 mm height 1600 mm
Required hydraulic outlets	1 pc, 1-action, 1/2" 1 pc, 2-action, 1/2"
